

About Carole

Carole Bertuzzi Luciani is a professional speaker who has spoken to hundreds of thousands of individuals since 1980. As a self-proclaimed 'Moodivator', she both enlightens and entertains the audiences she reaches throughout North America.

Her topics are diverse and include: 'Achieve Balance - Recycle Yourself for the Future', 'Dealing with the Public', 'Humour ... Sure Beats Stress' and 'Be Moodivated'. Each is delivered in an engaging manner and sprinkled with her unique brand of humour. Audiences cannot help but 'get the message'.

Carole successfully blends the demands of her work with the pleasures of her play and is proud to admit they often overlap.

Whether your group is large or intimate in size; a paid booking; or a community service commitment, Carole strives toward the same goal ... that you leave feeling better than you did when you arrived.
